

Correction to “Theoretical expression for the autoconversion rate of the cloud droplet number concentration”

Yangang Liu, Peter H. Daum, Robert L. McGraw, Mark A. Miller, and Shengjie Niu

Received 14 January 2008; published 22 February 2008.

Citation: Liu, Y., P. H. Daum, R. L. McGraw, M. A. Miller, and S. Niu (2008), Correction to “Theoretical expression for the autoconversion rate of the cloud droplet number concentration,” *Geophys. Res. Lett.*, *35*, L04806, doi:10.1029/2008GL033290.

doi:10.1029/2007GL030389, 2007), the last equation of paragraph 10 should read as follows.

$$\beta_p^p = \Gamma \left(\frac{p+q}{q} \right) \Gamma^{-p/\beta} \left(\frac{3+q}{q} \right).$$
